Dear Kristina,

Attached you will find a voucher for full payment for services related to the development of the County's Pre-Disaster Mitigation Plan. You will note that the total cost for the project was \$15,915.00 and in January of 2020 I applied \$3,978.75 in annual dues towards the PDM, thereby leaving an outstanding balance of \$11,936.25. On August 18, 2020 we received notification from the SDOEM that FEMA had approved the PDM Plan. After submitting payment to the District you may submit copies of both payments and vouchers to the State for reimbursement. Please let me know if you have any questions.

Sincerely,

Todd Kays
