### Additional Instructions:

#### LAND OWNER INFORMATION:

1. Must be the owner of the ground. Be sure to include all address information.
2. Be sure to complete the above information if this application needs to be sent to someone else.

#### LOCATION INFORMATION:

1. Location information refers to what you are doing on your own property.
2. If you are connecting on with other landowners they must file their own application.

#### OUTLET LOCATION:

1. Outlet refers to the location where the drainage tile outlets to the surface.
2. If you have more than one outlet location you may need to use additional applications.
3. If you have a tile project that interconnects with other landowners you must enter the location where the total project outlets to the surface as your OUTLET LOCATION. In addition; you need waivers signed by the downstream landowners included in the project, plus the landowners located up too one half(1/2) mile beyond the outlet location.
4. If your outlet is within 1/2 mile of a road and not on a named stream you will need a waiver from the Township, County Hwy Dept. and or the State DOT.

#### ADDITIONAL INFORMTATION:

1. Be sure and check which type of tiling work you are doing.

#### REQUIRED INFORMATION TO BE INCLUDED:

1. To file this application you need to complete and have the paper work from the NRCS office.
2. On a **Map** you need to draw where the tile will be located. And you need to identify the outlet on the map.
3. **Waivers** are required **unless** you outlet directly into the Big Sioux River or one of the named creeks or their tributaries. **NOTE:** Be sure and fill out the top of the waiver as well as having it signed.
4. Be sure to **SIGN** this application before returning it to the drainage secretary.

#### **Additional information will be required if this application needs to go to hearing.**
