I hereby certify that I have read and examined this application and know the information contained herein to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I further understand and agree that the granting of a permit does not presume to give authority to violate, cancel or variance the provisions of the Moody County Zoning Ordinance or any other federal, state, or local law regulating construction or the performance of construction. Upon issuance of a building permit, the applicant agrees to adhere to the county soil loss standards developed by the Moody County Conservation District pursuant to SDCL 38-8A. Structures within 300' of a designated flood plain will be required to submit an elevation certificate if used for residential purposes.
