1.4. “Confidential Information” means any non-public information that is identified as or would be reasonably understood to be confidential and/or proprietary as disclosed by a Party (“Discloser”) to another Party (“Recipient”). Confidential Information of EagleView includes, but is not limited to: (a) the Products and Services including any related software code and Documentation; (b) the terms of this Agreement including all Order Forms and statements of work, as applicable, and related pricing, and (c) EagleView’s roadmaps, product plans, product designs, architecture, technology and technical information, security audit reviews, business and marketing plans, and business processes, however disclosed. The Parties may enter into several Order Forms with each Order Form made part of this Agreement. In the event of a conflict between the terms of this Agreement and an Order Form, the Order Form will prevail; provided that notwithstanding anything to the contrary, no Order Form shall exist or be effective except to the extent it is governed by this Agreement.

1.10. “**Products and Services**” means EagleView’s proprietary products, services and content, whether or not identified in an Order Form, developed and owned or licensed by EagleView, its Affiliates (defined as its directors, officers, employees, agents, representatives, advisors, and persons or entities which are controlled by or are under common control with EagleView), and/or their licensors.

Unless a different term of the license grant to Products and Services is set forth in an Order Form, the right to access and use the Products and Services for its internal business purpose during the term of any Order Form(s) is the only right granted to Customer under this Agreement and any Order Form(s). EagleView will have no liability for any loss or damage arising from Customer’s failure to comply with the terms of this Agreement. EagleView will provide Customer a primary administrator Account for managing and granting access to its Authorized Users. Customer will be responsible for activating Authorized Users through use of the Account. Customer and its Authorized Users are responsible for maintaining the confidentiality of all passwords.

2.2. **Access Restrictions.** Access by Customer and its Authorized Users to the Products and Services is subject to the following conditions:

2.2.1. Customer will not access the Products and Services or Confidential Information of EagleView in a way that might adversely affect the security, stability, performance, or functions of the Products and Services.

2.2.2. Customer will not directly or indirectly: (a) resell or sublicense the Products and Services, (b) modify, disassemble, decompile, reverse compile, reverse assemble, reverse engineer, or translate any portion of the software related to the Products and Services; (c) create derivative works from the Products and Services; (d) use the Products and Services in violation of applicable law or the rights of others; (e) perform any vulnerability or penetration testing of the Products and Services; (f) cause harm in any way to the Products and Services or cause Malware to harm the Products and Services; (g) work around the Products and Services’ technical limitations; (h) remove any proprietary notices from the Products and Services, software related to the Products and Services, documentation or any other EagleView materials furnished or made available hereunder; (i) access the software related to the Products and Services in order to build a competitive product or service; or (j) copy any features, functions or graphics of the software related to the Products and Services.

2.2.3. Customer will not use the Products and Services in connection with any data that: (a) may create a risk of harm or loss to any person or property; (b) constitutes or contributes to a crime or tort; (c) is illegal, unlawful, harmful, pornographic, defamatory, infringing, or invasive of personal privacy or publicity rights; (d) contains any information that Customer does not have the right to use; or (e) use the Products and Services, or any software or documentation related to the Products and Services, in violation of export control laws and regulations.

2.2.4. Customer and its Authorized Users shall only use the Products and Services for the use and purpose set out in this Agreement, and for no other purpose.

2.2.5. EagleView may suspend the Products and Services if EagleView determines, in its reasonable discretion, that suspension is necessary to protect Customer or the Products and Services from operational, security, or other material risk, or if the suspension is ordered by a court or other tribunal. In such event(s), EagleView will provide notice of suspension to Customer as soon as reasonably practicable.

2.3. Account Use. Customer is responsible for maintaining and keeping confidential its Account information, including passwords, usernames, and email addresses. If Customer becomes aware of: (i) any violation of the terms of this Agreement by an Authorized User or unauthorized access to an Account, or (ii) any compromise to an Account including unauthorized access to or disclosure of any Account information, passwords, usernames or login credentials, then Customer must promptly suspend any relevant access and notify EagleView.

2.4. Reservation of Rights. Except for the limited rights expressly granted herein, EagleView and its Affiliates retain all right, title and interest in all Intellectual Property Rights and technology related to EagleView's proprietary Products and Services. Customer will preserve and keep intact all EagleView copyright, patent, and/or trademark notices presented in connection with the Products and Services. Customer will not assert any implied or other rights in or to any of EagleView's Intellectual Property Rights or Products and Services. From time to time, Customer may provide suggestions, ideas, enhancement requests, or other information on its use of the Products and Services ("Feedback"). Customer agrees that EagleView will have all right, title, and interest to use such Feedback without any restrictions and without any payment or other compensation to Customer.

3. PAYMENT

3.1. Fees. Customer will pay the Fees within thirty (30) days of receipt of invoice. EagleView will have the right to assess a late payment charge on any overdue amounts equal to the lesser of: (i) one and one-half percent (1.5%) per month, or (ii) the maximum rate allowed by applicable law. Additional or different payment terms may be set forth in the Order Form. All Fees paid pursuant to this Agreement and any applicable Order Form are non-refundable and all Products and Services ordered pursuant to an Order Form are non-cancelable, unless expressly stated to the contrary in the Order Form. In the event that EagleView seeks legal recourse for the collection of any unpaid Fees from Customer, Customer will be responsible for all of EagleView's costs of such collection action if EagleView is the prevailing party. If any Fees are overdue by more than thirty (30) days, EagleView may, without limiting its other rights and remedies, suspend the Products and Services until such amounts are paid in full, provided that, EagleView will give Customer at least ten (10) days' prior notice that its account is overdue.

3.2. Pricing Changes. If any Order Form is subject to renewal or extension, automatic or otherwise, EagleView may adjust the pricing for any Products and Services upon any renewal or extension of an Order Form by providing notice thereof at least ninety (90) days prior to the date for such renewal or extension.

3.3. Taxes. The Fees do not include any levies, duties excise, sales, use, value added or other taxes, tariffs, or duties that may apply to the Products and Services ("Taxes"). Customer is responsible for paying all Taxes associated with its purchases hereunder. If EagleView has the legal obligation to collect Taxes from Customer, Customer will pay that amount to EagleView unless Customer provides EagleView with a valid tax exemption certificate authorized by the applicable taxing authority prior to billing. For clarity, EagleView is solely responsible for taxes assessable against it based on its income, property, and employees.

4. TERM AND TERMINATION

4.1. Term. The term of this Agreement will commence on the Effective Date and will remain in effect for so long as there exists an open Order Form and for a period of twelve (12) months thereafter ("Term"). After expiration or early termination, Customer will not have any access to content or any Products and Services.

4.2. Termination; Suspension. Either Party may terminate this Agreement or any Order Form upon written notice to the other Party if: (i) the non-terminating Party materially breaches this Agreement or any Order Form and fails to cure such breach within thirty (30) days of delivery of written notice; or (ii) if the other Party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation, or assignment for the benefit of creditors. EagleView may suspend access to the Products and Services in the event

Customer is in material breach of this Agreement and such breach has not been cured within thirty (30) days' written notice to Customer. In the event of suspension due to Customer's material breach of this Agreement, Customer will remain liable for all Fees applicable to the Term that would have been paid had access to the Products and Services not been suspended.

4.3. Effect of Termination on Fees: EagleView Breach.
